Reva Ruby of Winter Garden Florida passed away peacefully March 09, 2018 having lived a long and vibrant life. Reva was 97.

Reva was born in Los Angeles, California. Reva's family moved to Saginaw Michigan where she graduated from Arthur Hill High School in 1938. Additional study earned her a teaching certificate, and many hours toward a PhD.

Reva married Clare F. Ruby in 1941 and together they raised their 3 children in Saginaw. After retirement they moved to Florida, eventually residing in The Villages where they enjoyed their golden years together.

After Clare passed away in 2002, Reva met a kindred spirit in William A. Walters who had also lost his spouse. Reva and Bill were married and spent their time traveling and golfing together before Bill passed away in 2013.

Reva was also predeceased by her sister Pearl Fredrick.

also survived by 4 grandchildren, 4 great-grandchildren, and her sister, Charlene Martinez of Lakeside, OR

As an educator, Reva developed and implemented programs for Prekindergarten, and Parent/adult education programs for Spanish speakers. Reva taught in the Saginaw School district for years and was also an instructor at Central Michigan University.

In her later years, Reva felt a calling to help those with Dementia and Alzheimer's disease. In the Villages she started and facilitated a support group for caregivers and remained a patient support group leader until she was 90. Reva also worked tirelessly as a volunteer for the Central Florida Blood Bank and was very proud of having personally donated 15 gallons of blood.

Always vigorous and constantly in motion her whole life, Reva most loved dancing, swimming, golf, water aerobics, and yoga.
