“ Rick and Dee Boncoff
Just want everyone to know that caring for my father was a task to say the least, But my father neighbors Rick and Dee did so much on helping me take care of dad . Sometimes I thought I was helping them. Rick and Dee are truly angels and have the biggest hearts with their never-ending care helping me with my father. I could not have done it without them. I'm forever thankful for all you did and can't tell you how much it meant to me and my father, I love you guys Scott
