

Aaron Lee Davenport

June 8, 1981 - February 3, 2020

Aaron Lee Davenport 38, of Umatilla, FL passed away on February 3, 2020. He was born June 8, 1981 in Titusville, PA. Aaron was an Inventory Specialist for Westinghouse.

He is survived his paternal grandparents: Harland and Dorothy Davenport; mother: Cindy Davenport; father: Dale Davenport; brothers: Chad (Shelly) Davenport and Tyler Davenport; nieces: Lauren and Taylor; nephew: Dylan; and multiple aunts, uncles, and cousins.

Thirty eight year old Aaron Lee Davenport slipped from this life, in which he had many physical struggles, to be in God's presence on February 3, 2020 at 9:35 am. Aaron's friends will remember him as a hard worker, quick with a smile, and a laugh; as someone they could count on if they needed anything. Aaron would literally give you the shirt off his back.

Aaron's nieces and nephews will remember him as the uncle who was so tall they could climb on him like a tree and he would let them. Aaron's brothers will remember him not only as a brother, but a friend; someone who would keep their secrets and who shared their boyhood adventures with; someone who would loan them money if they were in a little trouble and never tell mom and dad.

Aaron had a kind and generous spirit. He was fortunate enough as a young man to go on several missionary trips to Mexico and Africa with his church. This sparked a love of traveling in Aaron and he went on to travel extensively in his twenties. The highlight of Aaron's life was three months in Africa; working on a lion preserve. Aaron dug fence posts and repaired fencing. In his spare time, he played and socialized with lion cubs. He made friends there who had stayed in touch with him for the rest of his life.

We will all miss him dearly, but know that after a very long battle with illness, Aaron is walking again, seeing clearly, and playing in Heaven with his lions. We know he is safe with God, and knowing this...until we see you again, our sweet middle son. Love, Mom & Dad.

A memorial service will be held at a later date in his hometown of Titusville, PA. Online condolences may be made at www.beyersfuneralhome.com.

“ Aaron was hands down the best uncle. As a child, I would always want to go out and play in the snow but no one wanted to go outside with me. I knew when my uncle Aaron got out of work, no matter how long he worked for, he'd gladly go out with me and build the best snowman we could make.. He'd do anything to make people happy. ❤️
