“ So very sorry for your loss. Wish I could have seen her one more time. Enjoyed our talks on Facebook. Lisa, Ada, my sister Jean and I had some precious memories, teasing and acting crazy on Facebook. But so very glad for Facebook to reconnect with my York family. My thoughts and prayers are with you all. May God give you the strength to see you all through this difficult time, and peace in the weeks and years ahead of you. Love each of my York family.

“ *May God bless this family, which has always been dear to my heart. They lived next door to me for many years and our families helped each other. Those were the best years of my life. Ada was an awesome lady with much heart. She will truly be missed. From our family to yours May God give you comfort and strength during this time of mourning. I am sure she already found Mom and Dad and they are rejoicing in the Lord. She has had the privilege of finding out how beautiful heaven is, and has lost all ability to feel pain. Smile in heaven Ada like the angel you always were. I love you.*

“ God saw you getting tired a cure was not to be. So he put his arms around you and whispered, "come to me." A golden heart stopped beating hard, working hands at rest. God broke our hearts to prove to us, he only takes the best. You will be missed so much and I will keep fond childhood memories close to my heart forever cousin. God rest your beautiful soul.

She may not be here physically but will always live in our hearts. We will be unable to make it to the service due to Ingrid's wedding. We will be there in spirit. Sincerely, Maureen and Greg*
