“ *Addrie will be sorely missed. She always lit up every room she walked into. I loved our visits with her, as she was so sweet! She gave me recipes that I still cook today. I'm sure she and Mike will be playing golf in heaven. She was the last surviving sister of the three, and now they can be together again. Our memories of her will live on. She was a beautiful woman inside and out. Sending her love, always.*

Love,

Judy Grant, Tracy Soto, Judy Soto, Oscar Soto, Dean Nail and David Ballard.

“ *Dear Shannon, Jack, Jill, Mark and Sara, Joe and I would like to extend our deepest sympathies for the loss of you mom. We have such fond memories of her..from your wedding, to playing golf, to just sitting and sharing a conversation. She was delightful, full of hope, kindness and love. I will remember mostly, her warm smile and always wanting to know..how are you doing?*

May you take comfort in her warm accomplishments as a mother, wife, and friend.

Love,
