“ We were part time neighbors just down the block, Adrienne was a
very special person and involved in villa activities when she was
healthy. In the winter I usually would bring her. A jar of my frozen
strawberry jam which she liked.
The last few years have been hard and glad Chris and other family
were here for her. I know she is in a good place now and
surrounded by love. And, As long as we have memories of her, she
is here
