“ Adrienne was a mentor and friend since the 1970's when we worked together at Springfield Hospital. We kept in touch with Christmas cards for 40 years ! She had a strong character and compassionate heart; she touched the lives of many. My sincere sympathy to you all.

“ Whenever I see a flag pole I think of Adrienne, whenever I see my bluebird house I think of Adrienne. We are so luck that our children got to know their great grandma and loved riding the golf cart with her. What comes to mind when someone asks who was Adrienne I would say a true patriot who loved her country and family. She was a wonderful mother and devoted wife and a loving grandma. We loved talking about politics and she was up to date on everything! I will miss her so much but know that when the live of your life is up in heaven its never quite complete until you are together again! I know she is having some port wine with Bob and smiling about what a great family they have! Love, Kathleen and family

She was quite an amazing person the couple of times that I had the opportunity to meet her, a memorial experience for me. I am confident that she is home with our God, our maker, enjoying her eternal life with all of the surrounding love, no pain or illness. Until we meet again Adrienne.
