“ Alan Lee was my devoted husband and father of our four beautiful pomeranian pups. He was a kind, gentle, loving man. Alan Lee was ridden with pain and disease most of his adult life. I pray that he is finally at rest. I am fulfilling his final wishes by scattering his ashes at sea as well as being buried at Bide A Wee Pet cemetery in Wantagh New York with all of his babies: Princess, Caesar, Shana and Smokey. Alan Lee is my first and forever love and will remain in my heart for eternity.
