“ Dear Joanne & family, We were both shocked at Al's untimely death. We have known Al for 48 years. The last time we saw both of you was in the fall of 2014 at the Bonfire Restaurant in Savage, MN. At that time Al looked the picture of health. Who would have thought that this would be the last time we would have seen Al alive. We were looking forward to seeing both of you in April when we come to the Villages. We will miss getting together with both of you. God bless your family. Dick & Ethel Anderson

“ I considered Al a friend, we golfed together many times, he was competitive. We had Minnesota in common in our discussions. I looked forward to Al's return to the course after his back injury. It was a shock to hear of his passing, Al will be missed. My deepest sympathy goes to Al's partner in life, Joanne.

“ I did not know Alan very well, however, any time I spent time with him was most enjoyable . He was kindly, gentle, fair and fun to be around. He was a real gentleman and I shall miss him.

“ Dear Joanne and family, We were so very saddened to read in *The Villages paper* about Al's passing. Our goal was to get ahold of you two this month and try to get a round of golf and dinner in, maybe even some pickleball. We have fond memories of meeting you two and walking around your place on *Pokegama Lake* those many years ago. As hard as these next days and weeks and months will be, we hope you find comfort in your memories, your family and friends and know that many people are thinking of you. With sincere sympathies, Dennis and Deb. Perreault
