“ I was so sad to hear of Al passing. I had worked with Pat at Noridian and then saw her now and then later. My husband and I met Al a couple of times, at a banquet and then when there was a deal at Eastgate with motorcycles. Al was a fun person. My heart goes out to the family and to Pat, I feel for your loss. Take care of you and if you need to talk, please don't hesitate. You know I know what you are going thru. Naomi Kluever

“ Al was one of a kind. A gentle man who was always ready to help and to joke around with you. He would always be teasing me in a fun manner. My hubby and I enjoyed being around him and Pat, when we went camping playing cards. We loved them even though we didn't see them the last few years. Al will be greatly missed and so happy that we got know him and will always live in our hearts forever. Love you Pat and the girls and the grandkids. God bless you with peace and comfort during this most tragic time. Thankful for the promise of the Lord that we will all meet again. I am sure he is giving St. Peter a run for his money.
