“ Dad, you were a tremendous influence in my life and I looked up to you. What better example to follow that a man who worked as hard as you loved his family and was always there for me when I needed you. I'll miss you a lot and the times we shared together.

“ Tony was my father in-law and I could not have asked for a kinder more generous man.
Tony would give you the shirt off his back to help you!!
I will never forgot him as I consider him an integral part of my life, he is in my prayers.

Father welcome him home.
