“ Dear Audrey, Laura, Barbara & family, I was deeply saddened to hear Al's passing. I will always remember Al as a very softspoken, easy going nature, and his picture is a fitting testament. I will never forget the trip to Disneyworld in summer 1978 when Audrey & Al drove Mom, Stuart & I all that way from New Jersey, memories that I will cherish forever. Thanks for being a significant part of that journey. Rest in peace.

“ To Audrey, Laura and Barbara, Al will always be dearly remembered by my family (mother, Gail and brother, Andy). We were all very fond of him and "Uncle Al" made a big impression on both my brother and I when we were young. He did indeed touch our lives and holds a very special place in our memories. Peace be with you.

“ Dear Audrey, Laura, Barbara and family, My deepest sympathies to you at this difficult time. When I heard of Al's death, the immediate picture I had of him was his smile. And the next memory was about his laugh. The picture here is exactly the man I remember and how I will always think of him. I'm sure he has added a new bright light in Heaven. Sincerely, Phyllis

“ Albert was my grandfather. It isn't easy for me to choose a particular memory, but the one thing I will never forget is his voice and his compassion. I do have memories of visiting with my grandparent's when I was a child, and no matter what I did wrong he always let me slide. In this hard time the only thing I can be certain of is my family and I will never forget him and the impact he left of our heart's and lives. Though he is gone, his memory alone will sustain us. We will never forget him...
