

Alesa Lynn Steinbrook

June 30, 1946 - April 28, 2023

Alesa Lynn Steinbrook, (aka Alesa Harrison, Alesa Lynn Keels), 76 yrs. old, born June 30th 1946, passed away Friday April 28, 2023 in her home, surrounded by her children, close friends and family.

Alesa was a beloved mother of Natalie (Mark) Kraemer, Melanie (Michael) Vance, Kyle (Kimberly) Harrison, Sister, to Emily Allison, and brothers, Gary (Frances) Keels, Eldon Keels, Elmer (Anna) Keels, Marvin Keels, Sister-in-Law to, Sharon Keels, Joyce Keels, Aunt Alesa to many nieces and nephews, and a grandmother of 3, she was preceded in death by bothers Hollis Keels, Clifford Keels and Dennis Keels, and brother in law Bud Allison. Alesa shared many lifelong friendships and will be dearly missed, but remember for her tenacity, her strength and her kindness. She loved her three children and spent her lifetime being a loving mother, a loyal friend and good neighbor. She was a hard, dependable worker, who worked diligently and loyally in only four businesses over her working career from 1964-2016.

Alesa was an avid reader and a puzzle wiz, she loved to read at night, she shared her love for a good book or a challenging puzzle with many she knew. If someone saw an impossible puzzle they enjoyed bringing it to her to see how fast she would put it together. She loved to share things she learned or knew would help others. She often saw her challenges as a way God may use her to help someone else. She had a passionate dislike for creepy crawler's

especially lizards. She loved to feed the birds and yelled often at the squirrels as they ate healthfully from her bird feeders. Her favorite was the hummingbird and she has several feeders out to enjoy them hum and flutter around. She even had a relationship with a mockingbird that often met her at the shrub, to try and determine whose home it really was. Another gift she had was, she could grow anything, from seed to seedling, plant or tree, she had the touch. Her sun porch was dawning with beautiful plants at all times.

“ *Alesa and family....I sat beside Alesa often when we were in high school. She and I always laughed!! I remember one day especially but I'm not telling that story here. Can't really remember when we met at Reynoldsburg Schools. We were both just always there!! I was a J and you were a K so we were always close. Tonight I am a year late finding your families memories of you and about your lovely life. I love it. I am working on our 60th RHS HIGH SCHOOL Reunion and found out you have moved on to a beautiful place where I am sure you can enjoy those flowers and much more you will love. I hope to see you there in our Heavenly place someday. There are 36 from our class now.. I was looking forward to talking to you and seeing you at the reunion or calling to convince you to come. Shoud have stayed in touch after we talked that time on the phone! It is going to be a simple gathering this time. We all are looking at downsizing even our parties. I send my sympathy to your family and wanted to hear more about all of them. Just reading the names of your immediate family made me want to see pictures...and your siblings whose names still sound familiar, would be fun to see them too. RIP dear friend and I love this picture of you here!! You look so pretty and young!!*

“ *Alesa you have been my best friend and big sister for 50 years. You always were there for me. I miss you terribly I feel lost. I will remember the last words you said to me I told you I love you and you said I love you. When I come in the house at night I say to myself Alesa I'm home she always made me call her I will love her forever and I know she's in heaven with God I will see her again. She would be so proud of her children they took excellent care of her and loved her very much.*

“ Alesa.... our neighborhood will never be the same. You are gone way too quickly. The one thing I need to say you already know and that is how wonderful your children are. They held vigil with your friend of 50 years day and night not leaving you for a minute alone. That really tells how wonderful a mother you were. You knew they would. You told me. I will keep watch for the mocking bird that followed you around although it might have already followed Kyle.

“ Oh Alesa, Gladys Kravitz,
You were a gem of a neighbor, in so many ways you were a blessing. We loved you and so enjoyed being your neighbor and dear, dear friend. Oh the neighborhood is definitely not going to be the same without you. There is a void on the block, a huge void. I will forever hear you tell me "Don't go in the pool by yourself if I'm not outside to hear your scream". There are way too many memories to put here, I will forever hold so many in my heart. I will simply say, I love you. WE love you.
