

Alexandria Sgobbo

June 6, 1933 - April 7, 2025

Alexandria Rose (Varletta) Sgobbo, 91, of The Villages passed away peacefully at home surrounded by family on April 7, 2025. Born on June 6, 1933, in Ossining, New York, “Liz” grew up in a classic Italian American household with her siblings, Angela and Michael. She attended Ossining High School and became a secretary to bank officers. Liz met Rocco Sgobbo and they embarked on a marriage that would last a lifetime.

Together Liz and Rocco raised a family of 6 children. Liz’s warm heart and amazing cooking made her kitchen not just the center of family life, but a magnet for neighborhood kids, who always seemed to find an extra place at the dinner table. Somehow, in addition to running a household that, for a time extended to 10 members, Liz managed to find time to work as a supervisor for a private school testing company.

Upon retirement, Liz and Rocco relocated to The Villages, which eventually also became the home base for her extended family, including three of her children, as well as her siblings and their families. Liz was an active member of St. Timothy’s Women’s Guild, Welcome Committee and was a Minister to the Sick. She enjoyed spending time with her family, reading, completing crossword puzzles and playing Mahjong.

Liz is survived by her children, Patricia, Catherine, Barbara, Alexis, Rocco,

and Andrea. She was grandmother to Michael, Krista, Mathew, Ryann, Nicholas, Isabella, Parrish, Livia, Carla and Gemma and great grandmother to Gabriel and Alexander.

A wake in Liz's honor will be held at Beyers Funeral Home and Crematory in Lady Lake, Florida on Sunday, April 13, 2025 from 2:00 pm to 4:00 pm. A Funeral Mass to celebrate Liz's life will be held on Monday, April 14, 2025 at 8:30 am at St. Timothy's Church in the Villages. All are welcome.

“ My mother was a very special person. She was not necessarily the first person you noticed when you walked into a room, but her positive and kind spirit defined the energy. Her great gift was an ability to elevate others, through encouraging words, selfless deeds and an infinite capacity to make you feel special and loved. As a child, life at home centered on the kitchen. That was Mom’s domain. It was a place where homework was done under her watchful eye. Daily dramas were shared, tears were wiped away, victories were celebrated, and disputes were settled. As an adult and a parent, Mom’s kitchen remained a beacon. It didn’t matter if we lived in Singapore or Switzerland, we always found our way back to Mom’s kitchen. Her beef stew was inevitably waiting for us when we arrived. No matter how road-weary we were, the warm welcome and hot food served with love and affection picked us up and made us feel as if we were the most important people in the world. We love and miss you, Mom.

“ Spending time with Granu was always such a highlight. I remember arriving for a visit after a long travel day, and no matter what time it was - even if it was late into the evening - Granu would be waiting with a joyful welcome and a pot of delicious beef stew. She took care of her family, always making sure we were looked after and happy. I will forever cherish the time I got to spend with her. I miss you and love you lots Granu!

“ Liz and Rocco senior have always impressed me with their values. They were kind, very warm hearted and caring people. This is how I remember Rocco since he passed away 2017 and now that they are reunited again, I will remember Liz the same way. A very kind and loving person with her heart in the right place.

To the whole family my deepest condolences and to her daughters also thank you for caring for your mother at home to the very last moment.

I miss Liz and will always keep her in my thoughts and my heart.

“ Granu cared so deeply for her family. She brought joy and magic into my life, told me stories and sang songs with me. She always made me smile and made all of us feel so special and loved. I love you, always!

“ I'm heartbroken to say goodbye to Granu. I'll always cherish the Christmases we spent at my grandparents' house—those were some of the happiest memories of my childhood. Granu's home was always a second home to me, filled with warmth, love, and comfort. She made those days truly magical.

She is deeply missed, but I find peace in knowing she's finally reunited with Poppop. That thought brings me comfort in this time of sadness.

“ So sorry to hear this Rocco. As you already know, the time I spent at your parents house in Acton had a profound effect on me. Liz’s warmth and love were revelations. And the beautiful chaos and aromas in that kitchen! Best regards, and condolences to all your family.
