“ Al and Sue were in my sister's (Sandra) class at EPCHS. However, I remember Al from the days of him playing ball at Central Jr. High. Always thought he was such a nice guy, full of smiles! He will be missed so much and I extend my deepest sympathy to all of you. RIP Al.

“ Fish, Kim, Kiersten and Derek, and Fish's Mom...I was informed on Thursday of Andy Sr. passing. Sorry I can not be there as I am in Raleigh now and unable to drive down. My heart is with you all during this time. Andy Sr. touched many lives in the Leesburg community and was thought of fondly! When you are joyous, look deep into your heart and you shall find it is only that which has given you sorrow, that is what had given you so much joy - you father, your father in-law, your husband. While your hearts are heavy with sadness today, your hearts will remember the good memories, ones you can look back at and laugh at. I send hugs to you all and know that you are in everyones hearts during this sad time. Hugs from afar....chrissie jaje

What a great journey you and Al had as you traveled the road of life. The best sale Al ever made was persuading you to join him for the trip.* *Jim Spence*

“ I met Al when he started with State Farm in Bloomington. I was in Home Office and had contact with him in the Regional office. My wife's parents moved to FI in 1980(now the Villages). We reconnected and spent time with Al & Sue on our trips to FL. Even suffered though a few rounds of golf. Kathy's Dad died in 2003 and our trips to FL stopped. A friend in the Villages called me when he read the obituary. Sue, we are so sorry. We will remember you & your family in our prayers. We moved to AZ in 2009.
