“ Dear Ruth and the LaBrie family:

Your Skip was so special. He was genuine and warm. He was handsome and had a beautiful smile. In school, he was shy, quiet but in the middle of everything. I loved his horn rimmed glasses. He had and has so many friends. We loved him. Still do. Ruth, you blended right in with the Leesburg crew.

I work at First Pres assisting the pastor and members. I am sure you will be touch with Pastor Roy about your plans. Roger has my cell number, if you need it. So glad Skip is "coming home" to his church from his youth. I won't be able to attend on Saturday, due to other obligations. But my thoughts and prayers are with during this time of loss.

Love, Susie

Skip will always be with us in our hearts...that smile..that friendship..and everything that came along with them--will ALWAYS be loved and cherished.

“ We both had the pleasure of graduating from LHS with Skip, class of 1974!! While through the years we only saw each other at a class reunion, we had the good fortune over the last few months to reconnect and spend some quality time with he, Ruthie, his good friends the Bair's, Permattio's, Jones', Smith's. Quality time for sure. We believe the Lord brought us back together for this special time with Skip & others.
He was a class act and our thoughts & prayers go out to Ruthie and his entire family. Praying for their comfort at this difficult time.

“ My heart sunk when I saw Skip had passed. My thoughts and prayers go out to Ruthie, his loving wife, Stan & Vickie Bair, his forever friends, the family and all who love him. This list is long. For whatever reason, those of us who graduated with the LHS Class of 1974 share a special bond that has carried on throughout our lives. Even before social media made it easier to stay in touch many of us still did. For my part I think it's just because the people were so special, like Skip. And even though you may not see each other for years, when the opportunity arose, it was like a warm sun on your face. It just felt so good. Skip was one of those friends that the moment you caught sight of him it made you smile. In fact, I had to smile while writing this because it occurred to me that in all the time I knew him he never called me by my first name, just 'Feustel'. Trademark Labrie. You are missed, my friend.
