“ So many things could be said, one I believe that anyone who ever knew Bull has a memory. I will never forget his smile and his pranks he always pulled on us younger cousins. Loved to hear his Bluegrass Gospel CD I have of him, Mike, Starkey, and Lamar, still listen to it frequently. My prayer is the God will hold each of you close now and in the future. He can help you through your loss. Thank God for the great memories he has left us with. When we loose someone I am reminded of the scripture, Matthew 5:4 Blessed are they that mourn: for they shall be comforted. Until later, love you all so much. Alice

“ We send our love and deepest prayers to all of our family. I always loved Uncle Bull and all of his cutting up. Enjoyed the last visit I had with him a few years ago driving through the pastures. The bulls got after us and we laughed and just had a good time. Felt like I never missed a minute with him.....
