“ To: Maryelizabeth and family, We were so sorry to hear of Al's death. We were looking forward to seeing you both this winter. Even though we didn't know Al that well, we felt very close to him. He was a very special person. He was a "nice" man. We told our friends about the couple in Florida who had a luncheon date every Wednesday. They said , "that's a very loving couple". Our prayers are with you. Our deepest sympathy. It was a pleasure knowing Al. He will be missed. God be with you and your family. Claire and Gary

“ *I was just thinking about Al the other night and was so sorry to hear about his passing. I was using a rental car blinker and it made this funny awkward noise. It made me think of Al and his car named "Becky". Becky had a unique blinker also. I have great memories of Al and wish the Sullivan's peace in this difficult time.*

“ Thank you Skippy for all you have given me and our family. Your dedication and teamwork with Emmy in your search has given us a great family that we have the privledge to call our own. Your impact on the family will be felt for generations. I am sure you are giving Ted Williams stats about himself that he didn't even know. Bill, Chris and Emmy thanks for sharing your father and husband with so many people that loved him deeply and were able to get the same in return. Skip you are greatly missed but most importantly you will be forever remembered. We thank you for everything.
