“ Dearest Char and Ron, we were so deeply saddened to hear about your lovely mother. How we always looked forward to hearing the stories you would tell us during our Navel Reunions. We were so blessed to be able to meet her during our wonderful visit to your home those years back. She was so sweet and accommidaiating. We know she will be truly missed. She was blessed to have you both be there for her all those years. My God keep her happy in heaven. We will always hear her voice in our hearts.

“ When I lived across from Charlene and Ron, Alice Ruth was always "Mom" when I saw her. She was always a very loving and caring Mom. She is in a better place and will always leave many memories with a lot of people.

“ Ms. Alice loved her family and that was always evident in her time at the hospice houses. Thank-you for letting us take care of her and be a part of her last days. She had a wonderful birthday a few weeks ago, and we both enjoyed watching the "sugaring off" in VT on TV in her room a few Sunday's ago. My maiden name was D'Anjou and Alice called me a "crazy frenchman." She was a one of a kind. Sincere sympathy to you, Char and Ron and your families.

“ To friends and family, Mom has now passed on and she will be missed. Rather than mourn her passing, we can rejoice in her years with us and be fortunate that she lived for 92 years. She is loved and will be remembered long after these days of mourning. She was a great Mom and will never be forgotten. May she rest in peace. Love her son Richard and wife Shirley Whitenack. -

“ *Our dear Mother and friend. A kind, loving, strong big hearted lady. You will be missed. We laughed together, we cried together, we made time fly. We went on many trips together and had lots of fun in our lives together. We know you are in a better place where you are free from all your pain and suffering. You are in the loving arms of your Father. May you rest in peace and may God bless you always. Your loving daughter and loving son-in-law. Char & Ron*
