“ Alice was not only my mother-in-law but a good friend. We shared many happy times over the years. Every where we went Alice could talk to anyone and everyone. She loved it, I think it was an amazing talent God gave her. The compassion she had for her husband and sons was a never failing part of who she was. Hartley Jr loved her dearly but I don't think she really knew how much. Life and distance often played a heavy toll but that love was always there. Through the years the love between mother and son, good days and bad, lived in both their hearts. I/we are forever thankful for the times we had and wonderful memories. Love, Barbara and Hartley

Alice was a coworker of mine at Kmart in Pennsville, NJ back in the 1970s. She was such a sweet person. We used to talk often at work. I've thought about her through the years and wondered where and how she was doing. I'm so sorry for you're loss. May she be resting in peace. 🙏
