“ *Dear Donna and Family,
Having recently lost my dad, I know the heartbreak that you are feeling and wanted you to know that I am thinking of you and your siblings at this difficult time.
I have such wonderful childhood memories of your parents who always welcomed me into your home.
They were lovely people and I hope that you and yours will find comfort in the treasured memories that you share during this difficult time.
With respect and heartfelt sympathy,
Judy Plumley and the Plumley Family*
