“ Dear Family of Alva Winton, I am so sorry for your loss. My name is Chancey and I volunteer my time to give something positive back to the community by sharing encouraging thoughts from God's word. Alva seemed to be a generous and kind person that loved to give of herself and enjoyed life. Many people wonder why we live a mere 80 to 90 years only to die? Well, it is comforting to know that this is not at all what God intended for mankind. And soon he is going to do away with death forever. We know this to be true because it is promised at Rev 21:3,4 "death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." And this scripture is speaking of mankind. I hope I was of some comfort to you. And if you would like to know more about what we have to look forward to, please contact me at the address listed. Sincerely, Chancey Bennett

*Twas ever thus when in life's storm, one star of Hope grew dim
An Angel knelt in woman's form and breathed a prayer for them.*
