“ Words often escape us when we try to express what we feel at the loss of loved ones. It benefits us to celebrate their lives and recall the "Precious Memories". My "Aunt Davie" was always special, her laugh was infectious and together we shared many laughs over the years. She will forever be a precious memory in my heart.

“ Love you Aunt Millie...so sorry..you were not that much older than me, more like a sister than an Aunt since you were so much younger than my Mom and the rest of your sisters...Will never forget roller skating together in Avoca... love you and hope you are with my Mother....
