“ To The Roach family we send condolences. We are sincerely saddened and sorry that we weren't aware when Amos passed. He was a good man. Jesus said, "All those in the memorial tombs will hear his voice and come out. " We truly believe those words and so did Amos; hence, we look forward to seeing him and being with him again. I miss the Bible studies we had in my van. He was sharp. Proverbs 27:17- "As iron sharpens iron, So one man sharpens his friend." Love always from Jim Baker & Jehovah's Witnesses

“ Sue and family, So sorry for your loss. Was blessed by the music of the Roach family many times during my time in Cassia and Sorrento. God bless you and comfort you in your time of sorrow and loss. Be blessed in knowing that this separation is temporary and you will again be reunited with Wilson and his music in the presence of the Lord. Linda

“ He was my Uncle, Who I loved dearly. He always made me laugh with his joke's. I remember when we would take vacation's down to see The Roach family. I would sit down on Grandma's floor at night and listen to him play his guitar in the living room. I have many fond memories of my Uncle. I will miss you Uncle, and I love you very much!

“ Absolutely beautiful a great salute to a great man, father, brother, uncle, grandfather, mentor & friend. He will be missed but his infectious laughter & smile will comfort everyone who's lives he touched & recently I've noticed how many that actually was. So many people have expressed their respect for him and a life that impacted so many others in a positive way is a true testament to what a great man he was.

“ *I have known Amos and Sue for over thirty years. He was a special man in my daughter Kim's life. When she started dating and then married Terry, Amos became the father she never had and he was a great one to her as he was to most of the kids in his life. I loved him like everyone else did. Rest in peace Amos you did a great job now it's your time to rest. Love you Arlene Julian*
