“ Words can not express the way I am feeling right now. Our long talks on the bench, talking about our kids, men, and our problems. You helped me threw so much. Zoe your mommy loves you with all her heart, she told me sooooo many times. That's all we had was time. I will miss you dearly.

“ As I sit here and think of all the fun that we had together growing up, I can't stop to think...WHY? Things were not supposed to turn out this way...I'm the oldest..I am supposed to go before you...and for whatever reason that did not happen...Amy, I love you, today, tomorrow and always.. You will always be my little bug...
