“ *I have known "Coach Caldwell" over 60 years. He and my Dad, Bruce, are responsible for my love of baseball. He was a summer recreation baseball coach for the teams I played on in my pre-teen years. I remember watching him catch for the Tavares team my Dad played on. He was a fair man. He would read you the rout act when you needed it and give hugs for the same reason. My condolences to Miss Louise and the family.*

“ Coach Caldwell was a great role model both in and out of the classroom. He was a wonderful teacher and man that one just couldn't help but look up to. I have great memories of how he treated everyone that interacted with him, in the classroom, baseball diamond, or just out in town. His students weren't just a number in a grade book, he drove them to think and succeed. You'll be missed Coach Caldwell. EHS Class of 1986.

“ I wish to extend condolences to Louise and family on behalf of myself and my mother, Marian. For many years Andy was almost always at the church door on Sunday to extend a greeting to me and my parents. I know he did a lot more for the church, including driving the bus on special outings. He will be missed. Sunday services won't be the same without him. I have always had the highest respect for him. Gerry Jacobs

“ A GOOD MAN - right out of a classic Western. Coached me in football, taught me 8th grade history. Modeled high morale values - and touched my family and I greatly when he showed up at the house when we lost loved ones. Regret I was so far away and not able to do the same. God bless you, Coach Caldwell. Semper Fidelis and Love in Christ, Keith
