

Andrew Nelson Buttrick

May 3, 1945 - October 26, 2024

Andrew Nelson Buttrick, 79, of Leesburg, Florida, died on Saturday October 26, 2024, following a year-long health decline. He was born on May 3, 1945 and lived his early years on the family farm in Burlington, Massachusetts. As a teenager, he moved with his family to New London, New Hampshire where he attended New London high school.

As a young teenager, Andrew was diagnosed with epilepsy. His lifetime personal experience with epilepsy nurtured his compassion and empathy for others and led him to a vocation giving care and support to people struggling with disabilities. While serving with non-profit organizations in Chicago, Andrew met and married his wife, Becky. After moving to Leesburg, Florida, where their work continued, they adopted Michael, a young man with serious disabilities.

Andrew was predeceased by Becky Ann Buttrick (wife), Michael Dennis Buttrick (son), and his brother, Robert Mason Buttrick. He leaves his sister, Carol Newman, and his brother, John Buttrick, along with several nieces and a nephew. Andrew said to those who visited him in the hospital that he was at peace and looking forward to a closer walk with his God. We commend Andrew into God's Holy Realm.
