“ I am so sorry for the passing of Angela my condolences go to the Morris's and Family.I too have loss a loved one and what brings me great comfort is Revelation 21:4- And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. What a wonderful promise from God! I hope this comforts u as much as it does me

“ I am so sorry for the loss of your Momma, all of you. I know your heart is broken and you feel like you've been robbed; you have, of time. There is no good advice to give you for getting through it, I can only offer you prayers and tell you she would not want her early death to affect your life negatively. You can honor her best by living your life well, (cause now she's got a bird's eye view instead of eyes in the back of her head watching ya'll) raising those babies so that she will live on through them/you...you will see her everyday in something they say or do, that's God giving you a wink, hope, a blessing. I love all of you. Heaven is sure filling up some fine happy angels.
