“ Angela, Lynn and I had some long nights watching the seed beds there at their house. We had some good laughs and memories I won't ever forget! One was Lynn fell asleep in the back seat of the car and Angela put Oral Jel on Lynn's lips!! Omg I laughed so hard at them two!! 🤪

Oh my! Yeah, we girls had a load of laughs. Once Angela pulled a leg off a dead cow trying to get it to a hole with a tractor. Billy dug a hole for it. Omg 🤪.

At their house was the First and only time I ever saw a chicken run with its head cut off too! Rather forget that one!!! Somethings can't be unseen 😞 I know it was necessary in order to have food!

We lost track of one another, but the love and childhood memories remained in our hearts. I love Angie Sloan! Thank you Vicky for the memories and thank you Dave & her children for loving & taking good care of her.
