Be good to eachother and know you will get through this because that's what Anita would have wanted. “ I had the pleasure of working w/Anita years ago in Danbury, her and Danny were my bosses. We had lots of fun together, but what I admired the most about her was her heart towards animals....and she LOVED her kids..... R.I.P. my friend..... Peace and Sympathy to the Family Linda

“ My heart is heavy with sadness. Anita was a true friend to me and I loved her dearly. She was my sister in Christ and I know she is wearing her white robe of righteousness and in the presence of Jesus. She shared with me her love of Jesus whom she loved dearly. She was my hairdresser for 6 years and was the very best. Love to all the family. Thank you Tom for taking care of Anita. I will miss her dearly. Margie Davis

“ This picture was taken when we were out just hours before she died. Thank you all for your sympathy, Anita would have been so appreciative of all your kind words. She didn't deserve to go so soon.
