“ Martha & family, I didn't know Anita, but my sister, Bette & I, live in the Villages, near where Anita lived. When my husband, Tony, passed away in 2009, I had memorial booklets printed for his services. It turns out that the man that printed them was Anita's son-in-law. Somehow, we got talking about Ambler, and he mentioned that her family was also from Ambler. Small world.
