“ Gene, I was very sorry to hear about Ann. Ann sent me a few letters after my cancer diagnosis, which I still have, and which I really appreciated. And of course, I remember tennis with both of you, back when we were all a little healthier. I had meant to keep in closer contact with both of you, and never managed to, and I'm sorry about that too. I thought Ann was a very strong lady, especially about her cancer, and she was an inspiration to me. I'm truly sorry for your loss. Ron

“ Dear Gene, Lorrie and I were sad to read of Ann's passing. Ann. You were often in our thoughts and prayers. She put up the good fight. We know that the only thing that can get you through a time like this is the knowledge that she is now in Christ's arms in heaven. We want you to know that you and Ann will continue to be in our prayers. Love, Bill and Lorrie Sythes

“ Ann was a special person. We had alot of fun playing tennis together. She suffered for a long time with her illness so I hope she is at peace now. I'll always remember her. Please let me know when the funeral will take place.
