“ Aunt Carole, I am sad to hear that your mom passed away. I'll always remember sitting at the dinner table with her while you and Uncle Gary were getting excited over a basketball game. She turned to me and said, "I never understood why she got so excited about those things!" She was so sweet and funny. I wish I could be with you this weekend. You, Nan, and Uncle Gary will be in my thoughts and prayers. Love, "The Kid"
