“ *What a firecracker! Ann was always full of spirit! I am a fellow hygienist and had the pleasure of knowing Ann and helping her take care of her wonderful smile for about 25 years. I also had the honor to know Cliff, her sweet husband. If there ever was a love story, their marriage was one! They truly adored each other. I loved the stories about her career in New York City. Cliff talked about her getting mad at her boss one time and said I could just see the headlines "Buxom Blonde Bops Boss in Beezer" She had Jimmy Stewart and Cesar Romaro as patients. She loved being a "pioneer" in the dental hygiene profession. She loved her puppy dogs dearly and they her. I will really miss Ann, but I know that she and Cliff are together again. Sincerely, Debbie Smith*

“ *Always enjoyed Ann and Betsy's morning visits to my desk at LVT. I am sure Ann is overjoyed to be reunited with her beloved Betsy, and they are once again loving their walks together. Ann was a remarkable woman and I'm so glad to have had the opportunity to know her. Rest in peace, Ann.*
