“ This was a lovely tribute to a beautiful lady. Her strength, wisdom and love made a huge impact on this world. She raised an amazing family who will carry her best traits forward. I will think of her on New Year Eves as we spent many of these holidays together. She was always ready to listen as I shared my feelings about the joys and challenges of life. She offered encouragement and advice which I found very meaningful. She cared about my family and watched all of my children grow. I will treasure the memories of her as I treasure the friendship I have with Brendan, Jennifer, Brendan, Keegan and Hattie Grace.

“ Gary and I live on Hillside Lane and met your parents back in 2000. We were some of the first houses on the street. Your mother was one of the loveliest ladies. I enjoyed time with her at our neighborhood parties and often had nice conversations when I ran into her at the stores. She will be missed by her Villages friends.
