“ Dear Holly:

*We just learned about the passing of Dolly and wanted to send along our condolences to you. Dick and Dolly were long-time friends from Baie d'Urfe and our neighbours. We "shared" our little chihuahua with them as he loved to escape the chaos of little kids at our house for the peace and quiet at Dick and Dolly's. We shared some nice visits with them in Kingston, Ontario, when they came to visit friends and once even met up with them accidentally at a retirement residence in Toronto when we both happened to be visiting different people at that location! We have such fond memories of Dick and Dolly and when we did not hear from Dolly these past few Christmases, I wondered if she was unwell. We knew about Dick's passing and that she had moved to Florida to be closer to you. I have a pair of earrings Dolly made for me out of rocks from my garden as well as many "doll" clothes she made for my Barbies and special dolls. They sent me a photo of the town hall at Baie d'Urfe one year out of the blue - a lovely surprise and something I think they knew I would treasure. I have some nice photos of Dick and Dolly here in Kingston when they visited on several of their travels.*

*Sorry this is late, but I wanted you to know we are thinking of you. Dick and Dolly talked about you all the time and was so proud of you! I miss their e-mails catching us up on the Baie d'Urfe news.*

*Yours truly,*
