“ Anne, Life has not always been kind to you, but God was always close, even through-out your sickness. I always enjoyed our dinners together, and how we would laugh at life and talk about the Lord. Somehow you could see humor in everything. Sue and I would go to encourage you, but we would be encouraged. Thank you for your help in N.D.Y. You were the spark we needed--good food, especially, the "greens" you cooked just for me. We will miss you! Enjoy heaven! Love, Virginia

“ I am thinking of you all at this very difficult time. Your Mom was such an inspiration to me when I thought I was going through difficult times. She would always say just the right thing to make me realize how small the problem was in the big picture. In time may God replace your grief with happy memories of your wonderful mother.

“ So sorry to hear about your Mother. What a wonderful person. I have so many memories and very funny times spent with your Mom, especially during my high school year when we were living across the street. If I was up late at night I would run across the street to visit with your Mom because I knew she would still be up late also. I regret that I will not be able to attend the service for her but send warmest thoughts to you all.
