

Anne Gray

November 2, 1944 - May 26, 2017

Anne Gray, 72, of The Villages, FL, passed away Friday, May 26, 2017, from the side effects of the radiation treatment she received 10 years ago for lung cancer. Anne was treated successfully at Moffitt Cancer Center and had been cancer free for 10 years. She was a strong woman who beat the odds. Anne and her husband Roger Kass were married in British Columbia, Canada and were together for almost 45 years. The last 10 years were an added blessing from God. They both enjoyed the wonderful bonus years to the fullest - traveling, cruising, enjoying life and working part-time for the Properties of The Villages as Lobby Hosts. She was Roger's partner, companion, friend and rock. She was a friend and inspiration to her many friends, colleagues and neighbors; their condolences, expressions of loss and support are appreciated.

Anne was born and raised in Ottawa, Canada by her mother Ruth Gray, however she was very proud of her American citizenship. She attended Carlton University and received a degree in Education. After working briefly as a High School teacher in rural Ontario, she attended the University of British Columbia where she received a degree in Library Science. She worked as a librarian for the University of Calgary, the National Library of Canada and the British Columbia Teacher's Federation. Anne and her husband were fortunate to have lived and traveled throughout the world. They moved to The Villages from Atlanta, GA but they have lived in The Villages longer than anywhere else in their adult lives.

Anne and Roger were active in the VHA, politics and instrumental in the founding of their Neighborhood Social Club. Anne was a founding member of the neighborhood ladies club called, "The Honey Buns". She is survived by her husband and a niece and nephew, Yvonne and David Kass as well as cousins Carol Safier and her sons, Robert and Billy.

A Memorial Service and Celebration of Life will be held on Thursday, June 22, 2017 at 3:00 pm at Beyers Funeral Home, 134 N US Hwy 27 / 441, Lady Lake, FL 32159.

“ Dear Roger,
You and Anne moved to Pittsburgh and were the best next door neighbors! You watched a family of 10 grow! a I will always remember Mother and Anne sitting at the bottom of the driveway, on the curb chatting and supporting one another! It has been an honor staying in touch, embracing your advise on living the "Expat" life, and remaining friends. Anne will be missed, but please know, you will always be family!
Much Love,

“ Roger, our hearts go out to you. Unfortunately, I didn't have the opportunity to really get to know Anne, but I was so excited when I met Anne a year ago to hear she was a 'fellow' Canadian! Not only was she one of our closest neighbours, location wise, but I also discovered that Anne was born in the same hospital in Ottawa from which my mother received her nursing degree! It always gave me such a source of comfort when I would chat with Anne, knowing we shared that special connection!! May you find comfort in knowing that Anne touched all of us in her own special ways. Good bless, Donna & Mark

“ On my first day at Carleton University, I met Anne, born and raised in Ottawa ,and from that day forward a friend. We shared our love of history, humour, politics, and her mother Ruth also became a close mentor. Throughout our lives we kept in touch, both of us moving every few years, in the days of address books we were the ones who were "pencilled ,rather than inked in by our family and friends. I know we both appreciated our lives and our partners, how lucky we were. My condolences Roger, and to all Anne's friends, we lost a most wonderful person , her memory rests with us to honour her passing. I know I will.
