“ Linda took me under her wing when I first worked at EPA in Washington DC and quickly became a friend. I am happy that we were able to maintain that friendship in Florida as we both migrated here. We will truly miss her.

“ Linda attended our Narfe luncheon on 15 Oct 2012. I had made 3 copies of a photo I took of her in case I saw her again. I took it because she was Dick Wenrich's niece. I could mail them to someone if they would like. My phone nr is 610-678-1298. Please call me if you would like them. I thought it was a good photo of her.
