“ When I began attending the Adult Center, Ann was there. She had such a friendly smile, and calming demeanor. And what a great laugh! I think I speak for all of her friends at FBCU (most of the ladies do not have access to this page). She was always a bright light in our days, and a pleasant companion to fellowship with. Though I know you, her family and we, her friends are grieving that we will no longer enjoy that fellowship with her here on earth, but she is with our Heavenly Father now, and will be spending this Christmas with Jesus. What a blessing!

“ Annie and I lived across from each on Blanche Ave. in Umatilla for awhile. She was like a second mother to me. My son spent more time with her and John than he did at home. I was able to reconnect with her a few months ago at my moms doctors office. I will be forever grateful for that moment now. She left left footprints on my heart that will be there forever. I will miss you always Annie.. Love you... Vicki

“ Aunt Ann was my favorite aunt. I'll never forget the moving speech she made at my mother's funeral. She had the most calming manner and a soothing voice, not to mention that her smile could light up a room! She was first and foremost a Christian, and she set an amazing example of Christianity for everyone who came in contact with her. I will miss her!
