“ To Mary and the entire Marquez Family, Our thoughts and prayers are with you. Al and I were in the Bureau together in Miami, and I still recall visiting your home for a squad party! Working with Al was one of my greatest experiences in the Bureau. I also have fond memories of when he first started his love of boating. - kidding him about a New Mexico "desrert" guy becoming a sailor! Great memories of a fantastic individual! He will be missed! All the best to you and your great family. Sincerely, Bill
