“ *Our fondest memory of Tony was when he lived in Okeana, Ohio and was our neighbor. Every New Years Day we were invited with our (at that time) 6 children to have a wonderful meal celebrating the New Year. We were dairy farmers but treated like royalty. No one else would invite our whole family as we were so many. We are so happy we had the privilege of meeting Andrea and seeing Tony earlier this year. May the Lord comfort all of the family in their loss of Tony and always be blessed with wonderful memories of him.*
