“ Thank you to all who posted condolences on here. Your words have been of great comfort to me and our family. My Dad was a giant among men in my eyes and my heart breaks that he is no longer here enriching our daily lives at the bowling alley, at his weekly breakfasts with friends, through his friendships and in the lives of his family. He loved life and had a heart larger than any I have ever known. He will always be with us with our fond and loving memories of him.

“ Tony and I were navy shipmates. We served together in Japan, 1953-1954 and again in Japan in 1970. We were the best of friends and stayed in phone contact with each other up to his passing on. Tony was a good guy, a special friend, that I'll never forget. My deepest condolences to his family, friends and his loving companion, Nancy...Chip

“ You were a special uncle to me and my family. Both you and Aunt Nell and then you and (aunt) Nancy always went out of your way to welcome us every time we were in Florida. We love you and you will truly be missed. No more suffering, just joy now that you are with our Lord and Savior. Now you are with all our family.
