“ I have so many memories of the times I've spent with you, Tony. Golfing, dining, laughing at your jokes, time spent visiting with you and your wife Judy at your home. I'll always remember how you took the time to show me how to paint a portrait. You told me that you've never taken a drawing class but with your talent, you never needed one. Your kindnesses and your warm and huge smile are what I'll keep with me. From my heart, thank you for being my friend.
