“ I only found out yesterday of Tony's passing. I am very sad to get this news. My deepest sympathy to the family. I worked with him for many years and shared much laughter and friendship. May he rest in peace and spend many hours catching grouper in the big middlegrounds in heaven.

“ Yesterday we got the news that my uncle Nico had passed away. He was a gentle man who was truly loved by his family and friends. His wife, Gladys, daughters Virginia and Anna, are in my prayers, as well as all his grandchildren and extended family. My mother, his older sister, Maria, or as he used to call her, "Milia", passed away one year ago. They loved each other more than brother and sister. His mother died right after his birth, so Milia took her place.

*I remember a visit from him and his wife to our home, when I was a child. He was a little heavy so I remember calling him "Tio" which is Spanish for Big Uncle. He was always my "Tio" who I loved. We visited him a few months before my mom passed away. We had a wonderful visit with him, Gladys and Anita. My father, Humberto, and my husband, Fernando, were also there. That was the last time we ever saw each other. You will always be in my heart "Tio."  
Love, Marifeli.*
