“ I just discovered ths obit about Ike. i was wondering where the guys i knew from Nam were over fifty years later. Ike Sharon, Skeeter and ??? Squirrel came to visit us in NJ a few years after we were back from Nam for the weekend. Ike and I were then in the Radar squad; E Co, 2nd Battalon; first Air Cav. Most of the time we were on LZ jamie or in the jungle nearby. Ike loved country music and knew all the words. A memorable day was when we were taking it easy near a creek and Ike spotted an owl stuck between branches in a tree. I was trying to fly away from us but its claw was stuck. He managed to free the bird without getting pecked or bitten as the rest of us watched. We lost track of each other somewhere in the llate 70's. George Cassidy

“ Sharon,I am so sorry to hear Ike has passed away! We went to school together & both lived in Solon, I grew up there. I tried to contract him to see how he was doing,but,source I used was no good. we both worked for Bill & Carol , I was a baby sitter for them & made Saturday night suppers for us all. You & family are in our prayers! I didn't know he was so sick! An old friend just notified me! God Bless you all! Joanne Stebbins-Shadinger
