

Arlene Piper

September 29, 1933 - March 29, 2022

Arlene Piper, born September 29, 1933, died March 29, 2022. We ask that God bless you and hold you in his arms forever more. We are happy for the life you lived, always on your terms.

There was never someone like you. You were loved by your family and friends. You were admired for your unquenching spirit. It was felt by all who knew you. Your thirst for knowledge was an inspiration by those around you. The TV, movies, books, records, music, and newspapers were your constant companions. And your worldly travels far exceeded almost everyone's.

Arlene was an adventurous soul--returning to school and getting her law degree in mid-life was indeed an enormous undertaking. Then having a successful law practice for 17 years in OAHU, HAWAII was rather awesome and admirable.

Arlene will surely be missed by her daughters, Elizabeth and Hilary, by her grandchildren: Nicholas and Ari, by her sister: Carol Miller, her son-in-law Mark Henson, her many cousins and dear friends.

Arlene was undeniably and uncompromisingly herself. A fiercely independent spirit for all time; and on the humorous side, her diet was atrocious and her lifestyle could not exactly say was healthful. And yet, she lived well beyond

many athletes and those that put their physical health first. Even her worst days were still brighter than most people's

She will be remembered by her loved ones' forever. If there is a heaven, she will be there, spreading much cheer and laughter. Sharing friendship and the generosity of her incredible spirit.
