“ I grew up same town as Arlene but graduated Corbin and moved to FI 1964. I wish I had met Arlene in Daytona as still live here 2023. Of course bless her heart she had already passed away ,many years ago 2013.. So next year I will have been here 60 years. I graduated from Corbin High 1958. We must have passed from time to time Ormond, Daytona or somewhere. . Growing up lived on Beatty Avenue/parents Juanita and David Edwards. Dad worked at First National. My parents must have known Arlene's parents or some of you.. Bless you as I know you miss her.

“ I am saddened to hear of Arlenes passing. It has been many years since I have seen her, but I have thought of her many times when I would pass by her business. I have wonderful memories of her joyful personality and how she was liked by so many people. My condolences go out to Dennis and the family.
