“ Dear Marlene, Doretta, Helen and Rose: Please accept my deepest condolences on Arman's passing. I know how much he was loved by all of you and how dearly he will be missed. Arman was my "bestest" friend when we attended school in Albion. I still have vivid memories of all the fun we had on the farm and coming-of-age awareness of hot babes. I miss him in my heart as I know you do too. We were so fortunate to have the time we did with him. May Arman live in God's grace forever. Michael Sacharski Honolulu, Hawaii

“ We were so sorry to learn of Arman's death. He was such a leader and take charge man, who served his communities with distinction. Ken really enjoyed serving on the Homestead board with him. We both have fond memories of our time at Mackinac Island at the Grand Hotel. Please accept our deepest sympathy.

“ Debbie and I wish to express our deepest condolences to the Arman Hartung family. I have known Arman since High School days and have always admired his intelligence and sense of humor. As a colleague, I have respected his professionalism and appreciated his attention to detail. Arman attained excellence in all of his endeavors and he accumulated a long list of accomplishments. I enjoyed very much our conversations on various subjects, as he was always well versed. I always came away with something new that I learned from him. For these reasons, he will be very much missed by me and his other friends and family. Again, Marlene, I am very sorry for your loss. Sincerely, Larry and Debbie Robinson
