“ Dear Betsy & All of your Family, Am so very sorry for your loss. Armand was a really stand-up guy and always enjoyed working with him. Also, enjoyed doing the rock hound thing with him as well. My mom & dad asked me to pass along their expression of sympathy as well. You and Armand made an impression on them when we were over at your place to visit & check out Armand' rock collection. Like me, they really enjoyed the stories that you and Armand had to share. That's one thing about the Foreign Service Family >>> It may be years since one was last in contact -but- you can recall all the great memories in a heart beat. He will be missed. T.J. Youngpeter

“ We are thinking of you during this difficult time. and words seem
inadequate to express the sadness we feel. It was always a
pleasure to have known and worked with Armand, he always
passed his knowledge on to others along with his great tales. May
the peace which comes from his memories, comfort you now and in
the days ahead.
